SPECIAL EVENTS PROTEST OR RALLY

CUSTOM CONDITION: The City of Bellingham is not providing any assurances of protecting the health, safety, or security of the campers or others who enter the site. The City's duty with respect to health, safety, and security is general in nature, i.e. the same as to the public at large. To that end, it is the responsibility of camp organizers, managers, and those camping to take measures to protect the health, safety, and security of the camp.

Conditions of approval:

1. All participants must use the portable toilets that the City has provided.
2. No alcohol or drug use (including marijuana) in City Hall, including the lawn and parking lot.
3. No lewd conduct.
4. No disorderly conduct such as fighting or yelling loudly.
5. Maintain minimum noise levels.
6. Keep pets under control and on leashes and clean up pet feces.
7. No littering or damage to property. Use provided garbage plans.
8. All parking associated with the event must comply with parking regulations.
9. Comply with recreational burning laws and regulations.
10. Do not block ingress or egress of City Hall doors or other pedestrian areas and do not place any tents or tables on the flag plaza.
11. Approval is based upon compliance with BMC Section 17.10 which adopts the National Electric Code. Accordingly no use of electric systems such as extension cords, spider boxes, electric lighting, etc. is authorized.
12. No fires allowed between 8:00 A.M. and 5:00 P.M. weekdays.
13. Abide by all other laws and regulations that apply city-wide per state law and the Bellingham Municipal Code.
14. Organizers are responsible for communicating all city requirements to the permitted participants.
15. No weapons allowed on City property.
16. This permit expires at noon on Monday December 18th, 2017.
